L I S T

OF

INSANE POOR PERSONS

WHO HAVE RECEIVED

AID FROM THE STATE

DURING THE PAST YEAR.

GENERAL ASSEMBLY, MAY SESSION, 1845.

SENATE—DOCUMENT NO. 11.

HARTFORD:

PRINTED BY JOHN L. BOSWELL,

STATE PRINTER.

1845.

To the Senate and House of Representatives :

I herewith transmit, in compliance with the resolution of the last session, a statement of the names, age, sex, place of residence, condition when received and when discharged, as well as of those on hand at the date of the Superintendent's Report, of all such insane persons as have received aid from the State appropriation for the insane poor, during the past year.

No applications for aid, which were regarded as coming within the intention of the resolution, have been denied, though in some of the earlier cases, from an apprehension that the appropriation would prove deficient, the allowance was less than would otherwise have been deemed proper.

I have not been able to ascertain the number of the insane poor in the State. It is the opinion of those with whom I have consulted, and in whose judgment I confide, that accurate information, which alone can be useful, can be obtained only by a special agency, which would involve greater expense than I have felt authorized, as commissioner, to incur. The attempts which have repeatedly been made to obtain this information by correspondence with the local officers have uniformly failed.

The expenditures from the appropriation for the support of patients receiving aid from the State, up to the 1st of April last, amounted to \$3,825 91; since which time there has been no adjustment of the account with the Retreat.

ROGER S. BALDWIN.

Executive Chamber, Hartford, May, 1845.
